About me

🕶️ I am a web developer with more than 4 years of experience, developing both in backend and frontend. I like to constantly read and study new technologies.

👣 I have leadership skills for small multidisciplinary teams.

🧠 Proficiency in languages such as Spanish natively and English for learning, as well as basic Portuguese.

🦉 All technologies and knowledge were acquired in a self-taught way.

Experience

OCTOBER 2021-PRESENT

Evaluar, Remote-Full Stack

- Human resources platform, and manage personal hiring for companies.
- Expansion of knowledge since I am also working from the backend side with technologies such as AWS and Serverless Stack.
- Apply agile methodologies (Scrum).

JULY 2021-OCTOBER 2021

Freemance, Remote-Frontend Lead

- Directory of freelancers, to obtain greater visibility (lack of the slyk.io platform).
- We work with agile methodologies (Scrum).
- Development in a team of 7 people.

JANUARY 2021-MARCH 2021

Boxitas, Remote- QA

- I was in charge of testing the mobile application.
- I was active reporting various bugs.
